INTRODUCTION

Welcome to MY Wealth Planners®! We're excited to have you aboard, and we know that there's a lot for you to take in and learn in the next several months. This document serves as your benefits guide and quick reference guide for general policies. You may refer to this document for guidance at any time; actions or requests taken following the guidelines herein will always be considered permissible. When unclear, simply ask your manager for additional guidance.

MISSION, VISION & VALUES

The mission of MY Wealth Planners® is to provide the highest quality Wealth Planning expertise to the public to ensure that they achieve their life goals and dreams. We aim to achieve this by ensuring that every Wealth Planner is highly engaged and visible in the community of their choosing, providing as much service to the public good as possible while maintaining the highest standards of integrity and service on behalf of our clients. We seek to deliver on this by a simple maxim: Have we done everything in our power to help this person live their best financial life?

OUR VALUES ARE SIMPLE AND DETAILED HERE:

SELFLESS SERVICE That we are nothing without the community we surround ourselves with, and in that light, we must live and work to serve others.

- We volunteer for no less than 100 hours a year for non-profit organizations.
- We readily provide pro-bono assistance to non-profit organizations and low-income individuals.
- We participate actively in the community as members, friends, and planners.

TRANSPARENCY Whether in our community or throughout the creation of your plan, we believe that trust is built through open and honest communication.

- All fees are provided before financial services begin.
- We provide public disclosure of planner compensation.
- We ensure that each client has a clear understanding of the methodologies used to create, maintain, and execute their plan and investment strategy.

ACCOUNTABILITY We are committed to maintaining the highest standards and raising expectations.

- We provide referrals to trusted professionals when there is an unmanageable conflict of interest.
- We regularly review problems and progress in each client's financial plan.
- We take ownership of mistakes and resolve issues efficiently.

ENGAGED Every client is guaranteed access to our team of planners, who actively involve themselves with each step in your financial plan.

- That each client gets access to responsive and implementable advice.
- Ongoing blogs, podcasts, and educational materials are provided by planners covering the most recent financial news and discourse.
- MY Wealth Planners focuses on maintaining long-term, trusted relationships with all clients.

ATTENDANCE & WORK DAY POLICY

LEAD WEALTH PLANNERS & WEALTH PLANNERS

Being in Wealth Planning requires that planners often wear many hats, some more familiar than others. Consequently, we do not require a fixed workweek concerning days of the week or times of the day. So long as there is productive activity on your calendar and you follow it to the best of your ability, we consider that sufficient. At times events are scheduled on your calendar, including team meetings, client events, and so on, that may deviate from the flexibility otherwise afforded. You will also find that this policy aligns with our vacation, sick leave, and other policies detailed later.

ASSOCIATE WEALTH PLANNERS

As a licensed associate, you are still in the process of developing your expertise in the field of Wealth Planning. You are required to maintain a 40 hour a week balance, with any unassigned or spare time assigned to studying towards your CFP® Certification, CFA® Charter, or CPA License in alignment with your education plan.

WEALTH PLANNING ANALYSTS & NON-PLANNER STAFF

As unlicensed employees, your schedule is typically conventional business hours. You will maintain an 8-hour workday Monday through Friday, with a start and end time determined by your manager. Your responsibility is to support the firm's operations and the activities of the licensed planners, so a consistent schedule is essential.

DRESS CODE

The dress code for MY Wealth Planners® is business casual or business professional. Consider these guidelines:

- Would your attire be considered acceptable by all clients of the firm?
- Is it appropriate for the activity at hand?
- When in doubt, err towards the conservative.
- When still in doubt, ask.

For virtual meetings held via Zoom or other platforms, professional attire should be worn. The environment for virtual meetings should be clean and professional, or an approved virtual background should be used. Meetings from home or in other remote environments must be held in a home office or other secure and non-public location to maintain client confidentiality and privacy. Unauthorized third parties should not be present during remote meetings.

MY Wealth Planners® aims to provide competitive monetary compensation and direct benefits to its team. All team members are paid based on professional tier and years of experience. Gainshare and non-cash benefits eligibility begins after the 90th day of employment.

PARTNER

Partnership is a select position within MY Wealth Planners. Partners not only demonstrate complete mastery of their subject area of expertise, but also act as leaders and role models both within the firm and the greater professional and local community. Employees with the firm for ten or more years may apply for acceptance as a partner, whether they are licensed wealth planning professionals or members of the operations group. Applying for acceptance as a partner of the firm requires clear demonstration of capabilities and commitment to the firm, and is generally only to be undertaken by those serious about a lifelong career with MY Wealth Planners.

Partnership is not a guarantee at the requisite level of experience. Those who apply must be voted on by all partners of the firm, and accepted unanimously save for one vote (e.g., where the total number of partners with the firm is n , a new partner is accepted with a vote of $n - 1$ in favor of acceptance.) This policy does not apply in cases where the total number of partners is fewer than 3, during which time votes must be unanimous.

Those accepted as partners may be expected to buy into the equity of the firm, or may otherwise be granted or awarded equity for exceptional performance, contributions, and commitment to the firm's mission. A determined amount of additional equity is made available for purchase or award to both new and existing partners by the founder of MY Wealth Planners on an annual basis.

Partners do not receive an enhancement or modification to their existing Tier pay scale by becoming a partner, and receive compensation through both appreciation in the value of their equity and capital distributions from the firm when the firm is profitable and it is prudent to do so. Partners no longer participate in the non-partner Gainshare program.

Those with the requisite experience and qualifications with interest in applying to become a partner should request information from the President of MY Wealth Planners.

MANAGEMENT

At this time, “manager” is not considered a specific job role but an additional job task that creates additional responsibilities and compensation requirements. Anyone deemed a manager moves to the next higher job role for compensation. For example, a Planner Assistant with three years’ experience responsible for supervising a new Planner Assistant receives an Associate Planner’s three years’ experience base salary. Lead Wealth Planners are already classified as management and do not move to a higher tier.

TIERS (T1 - T4)

Non-licensed staff and support positions are not explicitly detailed in the benefits guide, due to the diversity of potential roles (examples: marketing specialist, IT manager, etc.) Positions and responsibilities are denoted within the firm as Tier 1 through Tier 4. These tiers are rough approximations and more accurately reflect appropriate compensation bands rather than markers of seniority or leadership. Therefore, an employee with significant skills and experience may be paid in a Tier 4 band, but not be in a management or leadership position.

SAMPLE CAREER TRACK

Sarah joins MY Wealth Planners from a collegiate Personal Financial Planning program with a Bachelor's Degree. As a new unlicensed member of the firm, she's offered a position as a Wealth Planning Analyst with a contingent promotion to Associate Wealth Planner upon attaining one year of experience and passing the Series 65. She develops her administrative and paraplanning skills and passes the Series 65 upon her first anniversary of joining MY Wealth Planners and is immediately promoted to Associate Planner. She begins studying for the CFP® Exam which she plans to take a few weeks later in July. Fortunately, she studies hard and passes the exam! Now, for the next year, she works on building her core financial planning skills as an associate on a Wealth Planning team, along with starting to develop relationships in her community of choice. Upon her second anniversary, having reached her prerequisite 4,000 hours of experience and having already passed the CFP® Exam, she attains the CFP® Certification, and receives a 20% raise in her base compensation. She continues to work with new and existing clients of the firm, and is steadily given responsibility for a growing roster of clients. The following year, with three years of experience and \$325,000 of annual recurring revenue under her personal responsibility, she is promoted to Wealth Planner. At the same time, she begins her Masters in Financial Planning degree, which she completes two years later. After her Masters studies, she also studies for the Enrolled Agent (EA) Exam and passes it, and the next year completes her Accredited Investment Fiduciary (AIF) designation. With a Masters, CFP® Certification, two professional designations, six years of experience, and having grown her client roster to now be responsible for \$450,000 in annually recurring revenue, she qualifies for a promotion to Lead Wealth Planner.

SARAH'S COMPENSATION AND CAREER PROGRESSION

Demonstration includes only base pay, and does not account for additional compensation via individual and gainshare bonuses, and uses a single year's pay scale for all compensation points, not reflecting the annualized increases due to inflation that would occur.

All employees of MY Wealth Planners® will act within the firm's values and conduct themselves professionally both inside and outside of the firm. As a Securities & Exchange Commission (SEC) regulated firm, we are subject to all compliance and supervision requirements mandated by the agency. In addition, we have specific guidelines regarding particular forms of conduct.

EQUAL EMPLOYMENT OPPORTUNITY

MY Wealth Planners® shall follow the spirit and intent of all federal, state, and local employment law and is committed to equal employment opportunity. To that end, the owners and management of MY Wealth Planners® will not discriminate against any employee or applicant in a manner that violates the letter or spirit of the law. MY Wealth Planners® is committed to providing equal opportunity for all employees and applicants without regard to race, color, religion, national origin, sex, age, marital status, sexual orientation, sexual and gender identity, disability, political affiliation, personal appearance, family responsibilities, matriculation, or any other characteristic protected under federal, state, or local law. We evaluate each person based on personal skill and merit.

MY Wealth Planners® policy regarding equal employment opportunity applies to all employment aspects, including recruitment, hiring, job assignments, promotions, working conditions, scheduling, benefits, wage and salary administration, disciplinary action, termination, and social educational and recreational programs. MY Wealth Planners® will not tolerate any form of unlawful discrimination. All employees will cooperate fully in implementing this policy. In particular, any employee who believes that any other employee of MY Wealth Planners® may have violated the Equal Employment Opportunity Policy should report the possible violation to the President of MY Wealth Planners® directly.

Suppose MY Wealth Planners® determined that a violation of this policy has occurred. In that case, it will take appropriate disciplinary action against the offending party, which can include counseling, warnings, suspensions, probation, and termination. MY Wealth Planners will report criminal conduct to the relevant law and regulatory enforcement agencies. Employees who report, in good faith, violations of this policy, and employees who cooperate with investigations into alleged violations of this policy will not be subject to retaliation. Upon completion of the investigation, MY Wealth Planners® will inform the employee who made the complaint of the investigation results.

MY Wealth Planners® is also committed to complying fully with applicable disability discrimination laws and ensuring that equal employment opportunity exists at MY Wealth Planners® for qualified persons with disabilities. Reasonable accommodations will be available to all qualified disabled employees, upon request, so long as the potential accommodation does not create an undue hardship on MY Wealth Planners®. Employees who believe that they may require accommodation should discuss these needs with the President of MY Wealth Planners®.

If you have any questions regarding this policy, please contact your manager.

DATING POLICY

Employees of MY Wealth Planners® may request a date from a co-worker one time. The request should be explicit, and the request's response must be unconditionally positive to be considered acceptable. Any response other than "yes" is treated as a "no," and determines that the request should never be made a second time. Violation of this policy constitutes a willful violation of the policy against workplace harassment.

POLICY AGAINST WORKPLACE HARASSMENT

MY Wealth Planners® is committed to providing a work environment for all employees free from sexual harassment and other types of discriminatory harassment. Employees will conduct themselves professionally and show respect for their co-workers.

MY Wealth Planners® commitment begins with the recognition and acknowledgment that sexual harassment and other types of discriminatory harassment are, of course, unlawful. To reinforce this commitment, MY Wealth Planners® has developed a policy against harassment and a reporting procedure for employees who have been subjected to or witnessed harassment. This policy applies to all work-related settings and activities, whether inside or outside the workplace and includes business trips and business-related social events. MY Wealth Planners® policy against harassment covers employees and other individuals who have a relationship with MY Wealth Planners®, which enables MY Wealth Planners® to exercise some control over the individual's conduct in places and activities that relate to MY Wealth Planners® work (e.g., managers, contractors, vendors, volunteers, etc.)

Prohibition of Sexual Harassment: MY Wealth Planners® policy against sexual harassment prohibits sexual advances or requests for sexual favors or other physical or verbal conduct of sexual nature when (1) submission to such conduct makes an express or implicit condition of employment; (2) submission to or rejection of such conduct as a basis for employment decisions affecting the individual who submits to or rejects such conduct; or (3) such conduct has the purpose or effect of unreasonably interfering with an employee's work performance or creating an intimidating, hostile, humiliating, or offensive working environment. While it is not possible to list all of the circumstances which would constitute sexual harassment, the following are some examples: (1) unwelcome sexual advances – whether they involve physical touching or not; (2) requests for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits, or continued employment; or (3) coerced sexual acts. Depending on the circumstances, the following conduct may also constitute sexual harassment: (1) use of sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life; (2) sexually oriented comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess; (3) displaying sexually suggestive objects, pictures, cartoons; (4) unwelcome leering, whistling, deliberate brushing against the body in a suggestive manner; (5) sexual gestures or sexually suggestive comments; (6) inquires into one's sexual experiences; or (7) discussion of one's sexual activities. While such behavior depending on the circumstances, may not be severe or pervasive enough to create a sexually hostile work environment, it can nonetheless make co-workers uncomfortable. Accordingly, such behavior is inappropriate and may result in disciplinary action regardless of whether it is unlawful. It is also unlawful and expressly against MY Wealth Planners® policy to retaliate against an employee for filing a complaint of sexual harassment or cooperating with an investigation of a complaint of sexual harassment.

Prohibition of Other Types of Discriminatory Harassment: It is also against MY Wealth Planners® policy to engage in verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of their race, color, gender, religion, sexual orientation, sexual or gender identity, age, national origin, disability, or other protected category (or that of the individual's relatives, friends, or associates) that: (1) has the purpose or effect of creating an intimidating, hostile, humiliating, or offensive work environment; (2) has the purpose or effect of unreasonably interfering with an individual's work performance; or (3) otherwise adversely affects an individual's employment opportunities. Depending on the circumstances, the following conduct may constitute discriminatory harassment: (1) epithets, slurs, negative stereotyping, jokes, or threatening, intimidating, or hostile acts that relate to race, color, gender, religion, sexual orientation, sexual or gender identity, age, national origin, or disability; and (2) written or graphic material that denigrates or shows hostility toward an individual or group because of race, color, gender, religion, sexual orientation, sexual or gender identity, age, national origin, or disability and that is circulated in the workplace or placed anywhere in MY Wealth Planners® premises such as on an employee's desk or workplace or on MY Wealth Planners® equipment or bulletin boards. Other conduct may also constitute discriminatory harassment if it falls within the definition of discriminatory harassment set forth above. It is also against MY Wealth Planners® policy to retaliate against an employee for filing a complaint of discriminatory harassment or cooperating in an investigation of a complaint of discriminatory harassment.

Reporting of Harassment: If you believe that you have experienced or witnessed sexual or other discriminatory harassment by any employee of MY Wealth Planners®, you should report the incident immediately to the President of MY Wealth Planners®. Possible harassment by others with whom MY Wealth Planners® has a business relationship, including customers and vendors, should also be reported as soon as possible. MY Wealth Planners® will promptly and thoroughly investigate all harassment reports as discreetly and confidentially as practicable. The investigation would generally include a private interview with the person making a report of harassment. It would also generally be necessary to discuss allegations of harassment with the accused individual and others who may have information relevant to the investigation. MY Wealth Planners® goal is to conduct a thorough investigation, determine whether harassment occurred, and determine what course of action to take if it is determined that improper behavior occurred. Suppose MY Wealth Planners® determines that a violation of this policy has occurred. In that case, it will take appropriate disciplinary action against the offending party, which can include counseling, warnings, suspension, probation, and termination. Employees who report violations of this policy, and employees who cooperate with investigations into alleged violations of this policy will not be subject to retaliation. Upon completion of the investigation, MY Wealth Planners® will inform the employee of who made the complaint of the investigation results. Compliance with this policy is a condition of each employee's employment. Employees are encouraged to raise any questions or concerns about this policy or possible discriminatory harassment with the President of MY Wealth Planners®.

SOLICITATION

Employees of MY Wealth Planners® are prohibited from soliciting (personally or via e-mail) for membership, pledges, subscriptions, or collecting money or for any other unauthorized purpose anywhere on MY Wealth Planners® property during work time, especially those of a partisan or political nature. "Work time" includes time spent on job duties' actual performance but does not include lunch periods or breaks. Non-working employees may not solicit or distribute to working employees. Persons who are not employed by MY Wealth Planners® may not solicit or distribute literature on MY Wealth Planners® premises at any time for any reason. Employees are prohibited from distributing, circulating, or posting (on bulletin boards, refrigerators, walls, etc.) literature, petitions, or other materials at any time for any purpose without prior approval of the President.

Therefore in the event of a breach of the foregoing covenant, in addition to any other legal or equitable remedy to which MY Wealth Planners® may be entitled, MY Wealth Planners® shall be entitled as a matter of right to a temporary restraining order, temporary injunction, permanent

injunction, or other injunctive relief issued by a court of competent jurisdiction, without the requirement to post a bond, retraining any further or continued breach of violation of the foregoing covenant. The employee shall pay any and all costs and fees incurred by MY Wealth Planners® to enforce the foregoing covenant, including but not limited to reasonable attorneys' fees of MY Wealth Planners®.
